# ARTS EVENTS

## At the Cookham Festival

There are plenty of arts events taking place this year at Cookham Festival, with exhibitions, activities, talks and competitions. Details of all the events can be found on our website [cookhamfestival.org.uk](http://cookhamfestival.org.uk)

For hands on activities why not try Wine and Canvas, the Open Air Painting Competition or the Workshops at the Festival Arts Hub. Each workshop lasts 75 minutes and will give you an opportunity to try one of the following - making a glass light catcher, an introduction to watercolour, zentangle, cartooning or pottery.
