COOKHAM TWINNING

GENERAL INFORMATION AND MEMBERSHIP APPLICATION

What is Cookham Twinning?

Cookham was twinned with Saint Benoît in 1995. St Benoît is situated near the ancient town of Poitiers in the Vienne area of France and is very close to the Futuroscope, the Park of the Moving Image. It is in a very beautiful setting and is close to many interesting places.

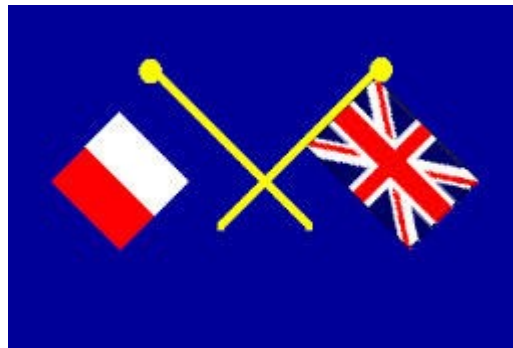

Twinning is something that anyone of any age from any walk of life can enjoy. It gives you the opportunity to become part of a new community and to make lifetime friendships.

Twinning is not like going on holiday to France—it's a totally magical experience and all those who are already part of Cookham Twinning will tell you what fun it is and how it can give you a totally new outlook on life.

Cookham Twinning is a self-financed group, relying on membership subscriptions, donations and grants.

Apart from visits to France and reciprocal visits from our French friends where we stay in each others' houses we are also starting to link organisations with similar interests offering the opportunities for joint activities.

JOIN IN THE FUN!

In 2018 we are hosting families from Saint Benoît at the start of Autumn half term:

from Saturday, 20 October (pm)
to Tuesday, 23 October (am)

We would love families with children and people of all ages to join in.

To learn more about Twinning or about hosting visitors from Saint Benoît, either call Keith Page on 01628 532279 or email twinning@cookham.com
